

# Inala's King Island Bass Strait small group Tour

Mon 7<sup>th</sup> November to Thursday 10<sup>th</sup> November 2022

Situated in the Bass Strait, midway between Victoria and Tasmania, King Island is surrounded by shipwrecks and long sandy beaches, with some of the freshest air and friendliest locals anywhere. The island is home to 10 of the 12 Tasmanian endemic bird species, 5 of which are considered endemic subspecies of King Island. We will also seek out the critically endangered King Island Brown Thornbill, with its enormous bill and beautiful voice. Flocks of wild American Turkeys, Indian Peafowl, Common Pheasant, California Quail and migratory shorebirds complete the set for this eclectic island.

A trip to King Island is not just about the wildlife, we will also visit the islands most famous sites such as Sea Elephant River, the calcified forest and of course indulge in a King Island Cheese tasting.

King Island subspecies – Brown Thornbill, Scrubtit, Green Rosella, Black Currawong, Dusky Robin, Yellow Wattlebird and superb Fairy-wren.

[This tour has been designed to adjoin the Tasmanian Endemic birds and mammals tour 29<sup>th</sup> Oct – 7<sup>th</sup> Nov 2022](#)

## DETAILED ITINERARY:

**B-breakfast, L-lunch, D-dinner**

**Day 1. Mon 7<sup>th</sup> Nov 2022.** **For those who are also joining the Inala Tasmanian endemics tour:** This morning we travel to Launceston after breakfast. If time permits, we will visit some wetlands en route where there is a chance to view several wetland species including Purple Swamphen, Spotless Crake, Australian Shelduck, Black-fronted Dotterel and Little Grassbird. The main tour will conclude around midday. Those participants who are continuing from the Tas endemics tour to King Island will stay at Launceston airport and connect with Sharp Airlines flight SH894 to King Island (15:05- 16:40).

Sharp Airlines also offers a flight from Essendon Airport, Melbourne this afternoon for participants wishing to join the tour from here (SH926 16:00-16:45. [flight costs from Launceston or Melbourne are not included in tour package](#). We will meet this evening at 18:30 for a welcome dinner.

**Accommodation:** Currie (en suite rooms). **Meals included:** D.

**Day 2. Tue 8<sup>th</sup> Nov 2022.** Today we will start exploring the island. Our first stop will be the main town of Currie where you can start to get a feel for island life. We will spend most of the day exploring the west coast, primarily looking for shorebirds and searching out the first of the King Island specialties. Echidnas can also be found here. A tasting at the fromagerie, King Island Dairy is a must before checking into our accommodation in the late afternoon.

**Accommodation:** Currie (en suite rooms).

**Meals included:** B, L, D.

**Day 3. Wed 9<sup>th</sup> Nov 2022** Today we will continue to explore the southern half of the island as this is where we will see most of our target bird species. We will spend time walking and driving through Pagarah State Forest and Sea Elephant Conservation Area. Pagarah contains some of the oldest forest on the island and is home to the critically endangered King Island subspecies of the Brown Thornbill and Scrubtit. While the

RAMSAR site at Sea Elephant Conservation Reserve is a stunning estuary, rich in birdlife. After dinner tonight, we will take a night excursion to visit the Little Penguin colony at Grassy Point and spotlight for mammals (Bennett's Wallaby, Tasmanian Pademelon, Long-nosed Potoroos

and Brush-tailed Possums).

**Accommodation:** Currie (en suite rooms). **Meals included:** B, L, D.

Wild Turkeys. C. Young

**Day 4. Thu 10<sup>th</sup> Nov 2022** For our final day on the island, we will head north, visit some key birdwatching sites such as Lavinia State reserve, and visiting some of King Islands most famous sights. At the impressive

California Quail. P. Vaughan

Cape Wickham lighthouse, the tallest lighthouse in the southern hemisphere, we will look for Nankeen Kestrel, Richards Pipit and the flocks of Wild Turkeys and California Quail for which King Island is well known.

Disappointment Bay and Yellow Rock Beach promise further excellent opportunities for seabirds, shorebirds, bush-birds and stunning views. This afternoon we will head back to the airport for our afternoon flights back to Launceston (SH895 15:40-16:30) or Melbourne (SH927 17:15-18:00).

(airfares not included in tour cost).

**Accommodation:** none (we can arrange additional accommodation in King Island, Launceston or Melbourne tonight as required). **Meals included:** B, L.

**Tour Price:** AUD\$2,465 per person twin share and \$270 single supplement (own en suite room throughout).

**Inclusions:** 3 nights en suite accommodation, specialist guiding and land transport on King Island for day and night tours as outlined above including airport transfers, all meals and activities as outlined in the itinerary. Also includes entry fees and GST.

Tasmanian Thornbill on King Island. C. Young

Dusky Robin. P. Vaughan

**Exclusions:** Airfares, activities and meals not mentioned above, alcoholic beverages and expenses of a personal nature (snacks, travel insurance, internet, laundry, tips etc).
